PUBLIC NOTICE OF DRAFT HAZARDOUS WASTE PERMIT RENEWAL

The Illinois Environmental Protection Agency (IEPA) hereby gives notice of intent to renew a Resource Conservation and Recovery Act (RCRA) permit held by Trex Properties, LLC for the former Detrex Corporation facility property at 2537 LeMoyne Ave., Melrose Park, IL 60160. The current owner, Trex, has assumed responsibility for performing corrective action at the closed hazardous waste management facility to address solvent releases at the site. (The Trex Properties, LLC corporate address is 1650 Des Peres Rd., Ste. 303, St. Louis, MO 63131.)

The interested public is invited to review a copy of the permit application, draft permit decision and related fact sheet at the **Melrose Park Public Library, 801 Broadway.**

Written comment on the draft permit must be sent to the contact listed below postmarked by midnight **December 16, 2013**. Timely comments will become part of the Administrative Record (AR) and will be evaluated in making the final permit decision. Any public hearing request must be made in writing, state opposition to the draft permit and the nature of issues to be raised at the hearing. Hearing requests must be postmarked by the comment deadline. Commenters will be notified of the IEPA permit decision and appeal process.

The AR (permit application, draft permit decision and all data submitted to the IEPA) is available for inspection by appointment only Mon-Fri, 9:00 a.m.-5:00 p.m. at IEPA's main office:

PUBLIC NOTICE OF DRAFT HAZARDOUS WASTE PERMIT

The Illinois Environmental Protection Agency (EPA) and the U. S. EPA hereby give notice of intent to renew a Resource Conservation and Recovery Act (RCRA) and Hazardous and Solid Waste Amendments (HSWA) permit to Detrex Corporation of Melrose Park. The facility's mailing address is 2537 LeMoyne Ave., Melrose Park, 60160. Detrex Corporation currently operates a waste solvent container storage unit under its previous RCRA permit.

Interested citizens are invited to review copies of the permit application, draft permit decision and related fact sheets at the following location:

Melrose Park Public Library
801 Broadway
Melrose Park, IL

Interested citizens may submit written comments on the permit decision documents during the 45-day comment period. Send all comments to the Public Involvement Coordinator listed at the end of this Notice postmarked by midnight July 5, 2003. In response to public requests or at the discretion of Illinois EPA and U.S. EPA, a public hearing can be held to clarify one or more issues concerning the draft permit decision. A request for a public hearing must be made in writing and must state the nature of the issue(s) to be raised at the hearing. Written requests should be sent to the Public Involvement Coordinator listed below. Public notice will be issued 45 days before any hearing.

All comments submitted will become part of the Administrative Record and will be evaluated by Illinois EPA and U.S. EPA in making the final permit decision. The Agencies will respond to comments on the draft permit decision, and indicate whether additional documents have been included in the Administrative Record. Anyone who submits written comments will be notified of the final permit decision and the permit decision appeal process.

The Illinois EPA is authorized to administer the RCRA/HSWA program in Illinois. HSWA (amendments to RCRA), among other things, requires facilities seeking a permit to perform corrective actions for any past releases of hazardous constituents. Illinois EPA welcomes information from the public that describes any such releases. U.S. EPA retains authority for administering certain other portions of the regulations including those that are newly promulgated.

The permit application, draft permit decision, related information and all data submitted by the applicant, as part of the Administrative Record, are now available for public inspection by appointment only Monday through Friday between 9:00 a.m. and 5:00 p.m. Please telephone the

Coordinator for an appointment to view the documents at Illinois EPA's offices in Springfield:

All comments submitted will become part of the Administrative Record and will be evaluated by IEPA and U.S. EPA in making the final permit decisions. The two agencies will respond to comments on the draft permit decision, and indicate whether additional documents have been included in the Administrative Record. Anyone who submits written comments will be notified of the final permit decision and the permit decision appeal process.

The IEPA Division of Land Pollution Control is authorized to administer the RCRA program and, as of April 30, 1990, specific 1984 HSWA provisions (amending RCRA) that address corrective actions, waste minimization, mixed wastes and other regulatory functions. Corrective Actions are responses required of facilities that have or have had releases of hazardous constituents. IEPA welcomes information from the public that describes any such releases. U.S.EPA is authorized to address newer provisions of HSWA such as land disposal restrictions and some TCLP modifications. For further clarification of program authority, refer to the March 1, 1990 Federal Register, Vol. 55, No. 41, pg 7320.

The permit application, draft permit decision, related information and all data submitted by the applicant, as part of the Administrative Record, are now available for public inspection Monday through Friday between 9:00 a.m. and 5:00 p.m. at the following location:
